Vacancy summary

Agricultural Insurance Team Leader

GEO850410

Tbilisi

Vacancy details

We at Business & Finance Consulting (BFC) have a long-lasting successful track record in implementing innovative and sustainable financing schemes to support MSMEs in emerging markets. We are working with the major players of the international development finance industry and seek to strengthen our consulting team.

We are inviting applicants for the Agricultural Insurance Team Leader, to become a part of our fast-paced and proactive international team. Assignments will be global with a focus on Eastern Europe and the NIS.

Duty station: Tbilisi, Georgia

Job responsibilities:

- Develop pricing schemes for agro-insurance products and services
- Develop and present the actuarial models to develop micro-insurance solutions in agriculture
- Develop, present and implement Awareness Campaign for agricultural insurance
- Monitor and provide guidance to other team members
- Ensure deliverables are prepared to satisfy the project requirements

Requirements:

- University degree in Economics, Finance, Banking, or other relevant field
- At least 10 years of experience in agricultural insurance
- Experience in agricultural credit is an advantage
- Experience in consulting or international development

- Practical experience in agricultural risk analysis and modelling
- Practical experience in CIS region
- Strong leadership and management skills
- Excellent communication and writing and skills in English, strong presentation skills

We are looking for a highly motivated, proactive, and result oriented professional. This position provides an opportunity for qualified candidates to move into a consulting role over time.
Interested candidates are invited to submit their CV and a cover letter online at our website.

The deadline for applications is February 12, 2016, COB.

We are looking forward to connecting with you!

Only shortlisted candidates will be contacted. Thank you for your application!
