My name's George, 23 years old, have a familly, 2 years old doughter and a wife, so I really wanna find some job and of course if I find, I'll do my best. I can speak in 4 languages well, I've been in Eourope several years so I've got much practice in it. I live in Tbilisi now, I have a car, so can be diller or if some one will need i can be your driver or guid too, I have also big expareience in Photo-Video making, I have alien vision in it so your photos or videos will be full of alien ideas of mine. if some one needs I can be teacher and teach Photoshop too, also make any music's or sound's minus phonogram, also own composition musics, rap, pop and some musics for soundracks or for markets. any way again, I really want to have a job and be buzy, I JUST NEED IT.
