My name's George, 23 years old, have a family, 2 years old daughter and a wife, so I really wanna find some job and of course if I find, I'll do my best. I can speak in 4 languages well, I've been in Europe several years so I've got much practice in it. I live in Tbilisi now, I have a car, so can be driver or if some one will need I can be your driver or guide too, I have also big experience in Photo-Video making, I have alien vision in it so your photos or videos will be full of alien ideas of mine. if some one needs I can be teacher and teach Photoshop too, also make any music's or sound's minus phonogram, also own composition musics, rap, pop and some musics for soundtracks or for markets. any way again, I really want to have a job and be busy, I JUST NEED IT.
