## Vacancy location

## Vacancy details

4G-Livestream is a news blog & online TV channel.

We are looking for a

Cameraman/ Operator/Editing

for our news Studio in Tbilisi:

-news blogs

-studio news

-live News/

-interviews and reports

-research and creating news

Our program will be in English and is focus on Europa and World News.

If you are interested in a fulltime job as an Cameraman and Editor, you love to play with the camera.

You know good the Programs Premiere Pro and Aftereffects and have experience in interviews and maybe live productions, research and making news.

Then we would like to know you.

Send us your application with your photos (2-3) and a short introduction video of yourself to our email.

(video ratio = landscape 16x9 )
