Vacancy details

Hello,
my name is Thorsten , still I am in Germany, but in a few weeks I will start an IT company in Tbilisi.

For this I am looking for :

a.) Programmers to create websites for international pre-registered clients.

b.) IT specialists for creating Non Fungible tokens with experience with :

-Solidity

-Java

- Python
- Java Script
- Swift
- C++
- DLT
- R3
- HypertLedger

c.) Someone with basic knowledge in creating websites and German language skills

Let's build a good future together

Many greetings

Thorsten Herbold
