I'm looking for a job

GE091997

I am 58 years old. Higher education, engineer-metallurgist. I have experience the driver. Worked at construction of oil pipelines of Baku-Supsa and Baku-Ceyhan. I can present characteristics and recommendations from the KVAERNER companies (the contractor of the BP company), TEKFEN and PETROFAC. Speak the Georgian (native), English (colloquial) and Russian (in perfection) languages.
