Candidacy for AutoCAD Drafter Position.

Hello my name is Ashkan Afshar I'm Iranian and i am 42 years old

and I've been moved to Tbilisi since 2 months ago.

I know a little Georgian language but

I know the English language.

I am an expert in Architecture and structure of buildings

I obtained the Bachelor of the Architecture and before that bachelor of computer software .

From 1998 I am working in different parts of construction.

I am perfect at drafting different kind of structural and architectural plans and details with Autocad software.

I am perfect at calculating all the materials for a building .

I was the project manager for many constructions such as residential , official and commercial buildings .

With this announcement, I want to propose my

availability in order to collaborate with companies

or individual that requiring the task of AutoCAD

Drafter and Construction technician in the fields of Architectural and Structural, I propose my availability also for small and short-term collaborations. Who interested can contact me at: +995-555614188 Thank you for your attention.

Kindest Regards
Ashkan Afshar
