## The guy with the higher education and a master's degree wants to find work and live in Georgia.

GEO118900

Dear Employer.

I'm Gagik Simonyan, a citizen of the Republic of Armenia. I was born in 1986 in Yerevan.

From 2004-2008. I studied and graduated the Armenian State Economic University (ASEU), specializing in "Economy and management of enterprises."

From 2008-2010. served in the Armed Forces of the Republic of Armenia.

2010-2012. I studied and graduated the Master degree of Marketing in ASUE.

Fluent in English and Russian.

Certificate "TOEFL IBT", score 68.

Now, Marketing manager of Pharmaceutical company in Armenia.

However, because the salary is not great and no prospects, I would like to work and live in Georgia.

I also have experience in the service sector. In my student years I was a salesman and manager in the store, and also I've actively participated in many community activities.

Thanks in advance.

Sincerely,

Gagik Simonyan.
